

## Quality That Makes a Difference

The staff of Children, Inc. Newport Preschool Center emphasize the same curriculum that is taught in Newport Schools and Head Start.

This means that your child has many more opportunities to learn the skills necessary for success in:

- Language Arts
- Science
- Arts
- Health
- Mathematics
- Social Studies
- Physical Education

This center provides opportunities for Children, Inc. and Newport Schools' educators to share ideas about how to help your child be most successful.

Children, Inc. Newport Preschool Center is nationally accredited and was awarded a 4 STAR quality rating by the state of Kentucky. Less than 1% of Kentucky centers are nationally accredited and rated 4 STARS. This is quality that you can count on.

### Children enrolled in a Children, Inc. In-School Preschool for at least 9 months show the following results:

*97% of children demonstrated progress in their cognitive and language skills within 6 months*

*99% of children are assessed to have age appropriate cognitive and language and physical skills within 12 months*

*94% of children are assessed to have age appropriate social and emotional skills within 12 months*

*"Everyday my daughter cannot wait to tell me about her day. I am able to understand how interested she is in going to school."*

*"I love that there's a child friendly, safe and clean environment in the school for my child. My child loves school and the teachers."*

*"I like the way the teachers respond to our questions about our children. It's great he is learning so much and the teachers care."*

*"The teachers take care of my child very well. They give individual attention to each child."*

# Children, Inc. Newport Preschool Center

Children, Inc. is a non-profit United Way Agency that has offered affordable, high quality early care and education in Northern Kentucky since 1977. We are dedicated to innovative programs that prepare children to succeed in school and in life. Classroom environments reflect best practices and curricula that help children gain skills and mastery. The latest findings in brain research inform our practice.

The goal of Children, Inc. Newport Preschool Center is to give your child many more opportunities to master skills that encourage school success.

## **Children, Inc. Quality Curriculum Components:**

### **Literacy**

Children, Inc. has developed a literacy program that includes development in the six areas of early literacy- visual discrimination, auditory, oral language, writing, phonemic awareness, and reading.

### **Social and Emotional Development**

Children, Inc. promotes social-emotional development by using nationally recognized curriculum to assess and develop social skills and build resilience in children.

### **Arts**

Children, Inc. introduces children to the arts and encourages interest and participation through Music and Dance Specialists on staff to introduce children to music, dance, rhythm and movement.

### **Health**

A child's ability to learn and develop is bolstered by good health and exercise. Children, Inc. offers free annual vision and hearing screenings, a dental health program, USDA approved nutritious meals and snacks, and well-equipped indoor and outdoor learning areas to promote fitness and well-being.

### **STARS and National Accreditation**

Children, Inc. is dedicated to achieving outstanding quality ratings awarded by outside evaluators at a state and national level.

### **Assessments**

Individual child assessments help teachers individualize lesson plans and one-on-one interactions. Assessment tools are nationally recognized and based on strong research about child development.

### **Family Partnerships**

Children, Inc. supports families as the first and best teachers of their children. We promote the development of positive and productive partnerships with families.

### **Staff Development**

Children, Inc. is committed to providing our staff with the best training and instruction on recent breakthroughs in child development. All teachers receive continuing education in advanced topics from brain development in children to dialogic reading and basics such as classroom management and First Aid and CPR.

### **Convenient**

The Children, Inc. Newport Preschool Center is open during the hours that most working families need- Monday through Friday, 7:00 am - 5:30 pm.

The center is open year-round including professional days and summer. The center closes for all major holidays.

Enrollment is open to 3, 4 and 5 year olds who live in Newport (or are enrolled in Newport Schools' or Head Start's half day preschools), and can be successful in a group setting with a teacher:student ratio of 1:10. Priority enrollment is given to children enrolled in Newport Schools' and Head Start's half day preschool programs.

### **Affordable**

Many families qualify for tuition assistance and attend free or at a reduced cost. Call the Newport Preschool Center at 859-292-3084 for more information.

Sliding scale fees are available to qualifying families through Kentucky's Child Care Assistance Program (CCAP), United Way of Greater Cincinnati or other scholarship programs.
